

# Promise For Her

Lyrics & Music by Benny Mao

---

**E** **E/G#** **A B**  
There is a promise we hold  
**E** **E/G#** **A B**  
It's unfulfilled but we can't let go  
**E** **E/G# A B**  
We cry for holy release  
**E** **E/G# A B**  
and for the church to again be free

Restore your temple oh Lord  
Make it a place where the sinners go  
We cry for truth for our souls  
and for the church to be real to the world

**A E/G# F#m E/G# A E/G# F#m**  
Je - sus, hear us Je - sus,  
**E/G# A E/G# F#m B**  
We cry Jesus Je - sus

A spoken promise remains  
It's the inheritance of the church  
We ask anointing to flow  
as we dig wells of revival now

**E E/A# A B**  
Will you hold the church again?  
**E E/A# A B**  
Will you touch the church again?  
**E E/G# A**  
Will you send your Holy Spirit  
**E/G# F#m B**  
to our house and make it yours?
